The affidavits on the application and the ballot envelope must be signed. These affidavits attest to the accuracy of the information provided on the application. The affidavit on the envelope attests to the fact that the voter is voting **his/her own** ballot **in secret**.

If an absentee ballot is done by mail, the voted ballot must be placed into the certification envelope provided. The certification on the envelope must be completed, signed, and the envelope sealed. Absentee ballots must all be personally returned or mailed to the election authority. Mailed absentee ballots must be postmarked no later than midnight on the night prior to the election, and must be received within 14 days of the election. All absentee ballots are processed centrally.

If the voter receives assistance in voting their absentee ballot, the name and address of the individual giving the assistance must be placed on the allot certification envelope. Remember that a candidate is NOT allowed to assist an absentee voter unless the candidate is a spouse, parent, child or sibling of the absentee voter.

The absentee voter may authorize, in writing, a spouse, parent, child, brother, sister, or licensed motor carrier, to deliver the ballot to the election authority.
